## ELIGIBILITY FOR CLASSES

In the following definitions of classes, first prizes or other prize wins are those gained in standard classes at any Kennel Club licensed championship, premier, open or limited agility shows (special classes and invitation events excepted). Only a first place with a clear round (completed within the course time set by the judge) count towards progression.

Standard classes are scheduled as agility classes or jumping classes. All standard classes will include the weaving poles obstacle. In addition standard agility classes will have the A-frame, dog walk and see-saw. With these provisos classes are defined as follows.

**Class Structure.** A class may either be held as a graded class or a combined class. A graded class may be scheduled for one or more consecutive grades with separate results and awards issued for each grade. A combined class may be scheduled for more than one consecutive grade with one overall set of results

**Progression.** Progression from each Grade will require one Agility win or three Jumping wins in standard classes at that grade, at either Full Height or the Lower Height Option, except that progression from Grade 5 will require 3 wins at Grade 5, one of which must be an agility class. Progression from Grade 6 will require 4 wins at Grade 6, two of which must be agility classes. Results from Combined Classes will only count towards progression from the dog's current grade.

**Lower Height Option.** Societies may offer the Lower Height Option to all dogs in that height category and may be offered at all grades. It is to be run as part of any Standard class as defined in the regulations and must be clearly identified in the schedule. Each relevant class will have two height with a change part way through to higher/lower the jump heights and competitors must run at their entered height. The order in which the heights will run must be detailed on the ring cards/ring plan. There will be only one course walking at the start of the class. In a class where the Lower Height Option is available show organisers may offer one set of awards by combining the results of each height or may offer separate awards for each height category.

When the Lower Height Option is scheduled a dog may only be entered at either the Full Height or at the Lower Height and it cannot compete at a different height in any other class at that competition, including special classes. For these purposes a competition shall be defined as all classes covered within the same schedule.

**Points Progression.** At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers), except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

## STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the grades. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the three jumping wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

<b>Grade 1</b>	For owners, handlers or dogs which have not gained a first place in an agility class or three first places in jumping classes at Kennel Club licensed agility shows. <u>N.B. Owners, handlers or dogs previously qualified out of Grade 2 are not eligible for this class.</u>
<b>Grade 3</b>	Open to dogs which are not eligible for Grades 1 or 2 or have elected to progress on points from Grade 2 at Kennel Club licensed agility shows & dogs which are not eligible for Grades 4, 5, 6 or 7.
<b>Grade 4</b>	Open to dogs which have gained a first place in an agility class or three first places in jumping classes at Grade 3 or elected to progress on points from Grade 3 at Kennel Club licensed agility shows and are not eligible for Grades 3, 5, 6 or 7.
<b>Grade 5</b>	Open to dogs which have gained a first place in an agility class or three first places in jumping classes at Grade 4 at Kennel Club licensed agility shows and are not eligible for Grades 3, 4, 6 or 7.
<b>Grade 6</b>	Open to dogs which have gained a minimum of 3 first places at Grade 5 at Kennel Club licensed agility shows, one of which must have been gained in an agility (not jumping) class and are not eligible for Grades 3, 4, 5 or 7.
<b>Grade 7</b>	Open to dogs which have gained a minimum of four first places at Grade 6 at Kennel Club licensed agility shows. At least two of these first places must be gained in Agility (not Jumping) Classes

By signing the entry form you confirm that to the best of your knowledge your dog is fit and able to take part in agility classes on the day of the show.
22. In estimating the number of awards won, all wins up to and including the 25<sup>th</sup> day before the start of the competition, i.e. **13 MARCH 2018** shall be counted when entering for any class. For these purposes a competition shall be defined as all classes covered within the same schedule. In the event that a dog becomes eligible for the next grade at a particular show after the entry for that show has been sent, it is the competitor's responsibility to notify the show secretary at least 14 days before the date of the show. The dog will then be moved into the appropriate class(es) for the next grade. The dog will be moved into the corresponding number of classes as were entered at the lower grade. If there are fewer or no classes available for the next grade the competitor should be offered a refund of the relevant entry fees.

24. In the event that the show is cancelled due to unforeseen circumstances, Castlereagh and District Dog Training Club will refund fees, less reasonably incurred expenses. If we have the provisions to do so, competitors will be refunded in the manner in which they paid their entry fees, but in any event we will refund fees within 3 months of the show date to all who have entered and requested a refund within one month of the show date.
25. Except for mobility aids, nothing shall be carried in the hand while the dog is under test and food shall not be given to a dog whilst in the ring. Competitors are prohibited from wearing bags or leads whilst under test.
26. Should the judge deem a re-run is required, any result and /or faults gained in the previous run must be discounted.
27. Separate entry forms must be completed by each owner and must be signed by the owner, or an authorised agent, in accordance with the provision specified thereon. Entry forms must be accompanied by the appropriate fees.
28. Competition of dogs suffering from contagious or infectious disease -- No dogs suffering from an infectious or contagious disease, or having been exposed to such disease during the period of 21 days prior to the competition, may compete. Competitors infringing this regulation will be liable to be fined and/or dealt with under KC Rule A11.
29. It is the competitors' responsibility to be available for their classes and running order. Competitors must run as close to their running order as possible. Failure to do so may be reported to the Kennel Club. In championship classes competitors must run in the exact order specified in the regulations.
30. No animal, other than those officially entered, shall be brought into the precincts of the event during its continuance, except dogs registered to assist the disabled, dogs required for educational or instructional purposes, or those admitted by permission of the Board. However, at the discretion of the show society, a dog brought to the show by a spectator may be admitted into the precincts of the show, provided that those in charge of the dog sign a declaration confirming that the dog is free from disease and that the dog will be kept under proper control at all times.

Children under the age of 11 are the responsibility of and must be accompanied at all times by a parent or guardian including when competing.

#### **Dogs in Vehicles on Hot Days**

Your dog is vulnerable and at risk during hot weather. The Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to, and whilst at, KC licensed events.

When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route and leave earlier to avoid increased time in traffic jams.

- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in an enclosed vehicle.
- Keep the dog in the shade – take your own shade. For example a large umbrella and sheets, and always have plenty of water available to drink so your dog stays well hydrated.

Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK, FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED**
