Only dogs of 6 calendar months of age and over on the day of competition are eligible for entry.

Dogs entered must be registered at the Kennel Club in accordance with Kennel Club Regulations for Classification and Regulation B. If your dog is a rescue or crossbreed, the Kennel Club has an Activity Register for dogs that do not qualify for the Breed Register.

Each YKC class winner in their respective age category (provided he/she is within qualifying marks) will automatically qualify for Crufts.

At Crufts dogs must be entered in the lower class that they are eligible for. A maximum of 2 classes per dog is permitted.

There is no limit on the number of dogs a YKC member can work at Crufts.

Please note that the YKC office will only accept wins from classes that are listed on the YKC website. If a show has a YKC class scheduled which we have not approved and included on the website, it will not qualify for Crufts.

There are three age categories for each of the classes which are as follows:

1 Basic Obedience

Under 12 12 Years and Over 18 Years and Over

2 Novice Obedience

Under 12 12 Years and Over 18 Years and Over

YKC QUALIFIER Agility Dog of the Year

YKC Agility classes which can qualify members to take part at Crufts are held at appointed licensed agility shows throughout the year.

Eligibility:

- Open to fully paid up Young Kennel Club (YKC) members aged 6 – 17 years.
- Only dogs of eighteen (18) calendar months of age and over on the day of competition are eligible for entry into a YKC qualifying Agility class.
- Dogs entered must be registered at the Kennel Club in accordance with Kennel Club Regulations for Classification and Registration B. If your dog is a rescue or crossbreed, the Kennel Club has an Activity Register for dogs that do not qualify for the breed register.
- There will be six classes as defined in the eligibility section.
- The first and second placed handler and dog in each subdivision at each qualifying class will be invited to take part in the YKC Agility Dog of the year Semi Final at Crufts provided that at least six dogs are entered into the division AND complete the course i.e. dogs are not eliminated.
- If less than six dogs complete the course (are eliminated), or less than 6 dogs are entered into the category then the first placed dog and handler only will qualify.
- If a handler has previously qualified to compete in the YKC Agility dog of the Year semi-finals at Crufts 2018, any further qualification places will roll down to members who have yet to qualify.
- Members are only permitted to handle one dog in the Semi-Final at Crufts, if a handler has qualified more than one dog they will have to choose which dog to run. The next placed dog and handler in the heat with the non-chosen dog will then be offered the place.
- The YKC Office will place handlers in the correct division in accordance with their age group on the first day of Crufts.
- Members must ensure that their fees to the Young Kennel Club (YKC) are up to date and fully paid in order to enter any Young Kennel Club class. If you enter or compete in a Crufts qualifier and you have not previously paid your membership fee then any award will not count towards qualification for Crufts. Proof of membership fee payment will be required in order for an award to be accepted and confirmed as a Crufts qualification.

YKC QUALIFIER Team Agility

YKC Team Agility classes which can qualify members to take part at Crufts are held at appointed licensed agility shows throughout the year.

Eligibility:

- Teams must consist of five dogs handled by five separate handlers, plus 2 reserves.

- In the event of only one team entering a heat, the team will run in the heat and providing no more than two dogs are eliminated, the team will qualify.
- The five dogs will be individually timed (not relay) and the combined score/time of the best four in the team will decide the results. Elimination will incur 100 faults – scoring will continue – handlers must make a genuine attempt to complete the entire course if the dog is happy to continue.
- The team members and dogs that qualified (including reserves) will be the final team and no changes will be permitted after the qualifier.

ELIGIBILITY FOR CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. Special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: A Ramp, Dog Walk and See-Saw. With this proviso classes are defined as follows:-

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for one or more consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will require one Agility win or three Jumping wins in standard classes at that grade, at either Full Height or the Lower Height Option, except that progression from Grade 5 will require 3 wins at Grade 5, one of which must be an agility class. Progression from Grade 6 will require 4 wins at Grade 6, two of which must be agility classes. Results from Combined Classes will only count towards progression from the dog's current grade.

The Lower Height Option is not available at this show.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers), except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.
